

Anhang Homöopathika

nicht verordnungsfähig

Abrus precatorius
Acer negundo
Acetinum
Achillea filipendulina
Acidum alpha-ketoglutaricum
Acidum ascorbicum
Acidum hypophosphorosum
Acidum molybdaenicum
Aconitum anthora
Aconitum napellus e radice
Acorus calamus
Adonis aestivalis
Aesculinum
Aesculus hippocastanum e floribus
Ajuga reptans
Alchemilla vulgaris ex herba siccata
Alkana tuberculata
Alstonia constricta
Althaea officinalis
Althaea officinalis e foliis
Aminophenazonum
Anacyclus officinarum
Anagyris foetida
Angelica archangelica
Aniba coto
Anisi aetheroleum
Apatit
Aqua marina
Araneus ixobolus
Argentit
Argentum oxydatum
Argentum phosphoricum
Aristolochia cymbifera e radice
Arnica montana e floribus
Artemisia vulgaris ex herba
Asarum canadense
Asclepias incarnata
Aspergillus niger
Atropa belladonna e foliis
Atropa belladonna e fructibus immaturis
Atropa belladonna e fructibus maturis
Atropa belladonna e radice
Atropa belladonna ex herba

Bambusa e nodo
Bambusa e summitatibus
Banisteria caapi
Bellis perennis e floribus
Beryllium carbonicum
Betula pendula
Betula pendula e cortice
Betula pendula e foliis
Bismutum oxydatum
Bismutum subgallicum
Bixa orellana

Borago officinalis
Brassica oleracea e planta non florescente
Bufo bufo e toto animali

Calcium carbonicum
Calcium carbonicum naturale
Calcium glycerinophosphoricum
Calcium sulfuratum
Calendula officinalis e floribus
Calluna vulgaris
Carbo tiliae
Carlina acaulis
Carum carvi
Cassia alata
Catechu
Centaurea cyanus
Cerium metallicum
Cetylpyridinium chloratum
Chamomilla recutita e radice
Chelidonium majus e tota planta
Chenopodium ambrosoides var. ambros.
Chenopodium botrys
Chenopodium glaucum
Chininum
Chininum arsenicicum
Chlorophyllinum
Chlorophyllum
Chromium chloratum
Cichorium intybus ex herba
Cinchona calisaya
Cortisonum aceticum
Crataegus e floribus
Crataegus e foliis
Crataegus ex herba et fructibus
Cumarinum
Cuprum cyanatum
Curcuma longa
Curcuma xanthorrhiza
Cyanocobalaminum
Cynoglossum officinale
Cynosbatus
Cytisus scoparius ex herba

Datura stramonium e seminibus
Daucus carota
Diencephalon
Digitalis lanata
Dryopteris filix-mas ex herba

Elettaria cardamomum
Ephedrinum hydrochloricum
Ergotinum
Erodium cicutarium

Ferrum sidereum
Ficus carica
Foeniculum vulgare
Follikelhormon

Galeopsis segetum

Galium mollugo
Galium odoratum
Gallae turcicae
Gaultheriae aetheroleum
Gentiana cruciata
Geranium robertianum
Glandula suprarenalis
Glandula thymi
Glycyrrhiza glabra
Guajacolum

Haematit
Hamamelis virginiana e cortice et e summitatibus
Helianthus tuberosus
Helichrysum arenarium
Helleborus niger e planta tota
Helleborus viridis ex herba
Hepar
Hieracium pilosella
Hydrargyrum chromicum oxydulatum
Hydrargyrum nitricum oxydulatum
Hydrargyrum phosphoricum
Hypericum perforatum ex herba
Hyssopus officinalis

Ilex aquifolium e foliis siccatis
Iris germanica
Insulinum
Iris versicolor e foliis

Jateorhiza palmata
Juglans regia e foliis

Kalanchoe
Kalanchoe pinnata
Kalium chromicum
Kalium citricum
Kalium fluoratum
Kalium hydroxidatum
Kalium oxalicum
Kalium picrinicum
Kalium salicylicum
Kalium tartaricum
Khellinum
Kino

Lacerta agilis
Lactuca sativa
Laurus nobilis
Lavandula angustifolia
Lavandula angustifolia e floribus
Lens cristallina embryonalis
Lepidium sativum
Levisticum officinale
Levodopum
Lien
Linum catharticum
Lithium chloratum
Lobelia erinus
Lycopodium clavatum ex herba

Lysimachia nummularia

Magnesium asparticum
Magnesium metallicum
Magnesium thiosulfuricum
Malva sylvestris
Mamma
Mandragora ex herba
Manganum oxydatum
Manganum peroxidatum
Melissa officinalis ex herba
Meloe proscarabeus
Mentha pulegium
Mucor racemosus
Mucosa nasalis suis
Mucosa ventriculi
Myocardium
Myocardium bovis
Myricaria germanica
Myrrha

Natrium benzoicum
Natrium bicarbonicum
Natrium bichromicum
Natrium diethyloxalaceticum
Natrium kakodylicum
Natrium lacticum
Natrium tetrachloroauratum et Natrium chloratum
Natrium thiosulfuricum

Ocimum basilicum e foliis
Ocimum basilicum ex herba
Ocotea puchury-major
Olea europaea
Olibanum
Onopordum acanthium
Oophorium
Orthosiphon aristatus
Ossa sepia
Ouabainum
Ovarium bovina siccatum
Oxalis acetosella
Oxydendrum arboreum

Pangametinum
Pankreas
Papaver dubium
Papaver rhoeas
Para-benzochinonum
Pelargonium reniforme
Penicillium notatum
Pepsinum
Persea americana
Peucedanum officinale
Peucedanum ostruthium
Phaseolus vulgaris var. nanus
Phloridzinum
Phyllitis scolopendrium
Physostigminum hydrobromicum
Phytolacca americana e baccis

Pinus pinaster
Piper angustifolium
Placenta
Plantago lanceolata
Platinum colloidal
Platinum diiodatum
Plumbum phosphoricum
Plumbum tannicum
Plumeria rubra
Podophyllum
Polygala amara
Polytrichum commune
Portulaca oleracea
Potentilla erecta
Prenanthes alba
Prunella vulgaris
Prunus padus e foliis
Prunus spinosa e fructibus
Ptychopetalum
Pulmo vulpis
Pyridoxinum hydrochloricum
Pyrit

Quarz
Quercus e cortice

Ren
Resina thapsiae
Resorcinum
Riboflavinum
Rosa canina
Rosa canina e fructibus
Rosa centifolia
Rubus fruticosus
Rumex obtusifolius
Rutosidum

Saccharum
Salix alba
Salix alba e foliis
Sal marinum
Salvia sclarea
Sambucus ebulus
Sambucus nigra e cortice
Sambucus nigra e floribus
Sambucus nigra e radice
Santalum album
Sassafras albidum var. molle
Satureja hortensis
Scopolaminum hydrobromicum
Senecio vulgaris
Sepia officinalis purificata
Silybum marianum ex herba
Simaruba
Solanum oleraceum
Solidago virgaurea ex herba
Solidago virgaurea ex herba et floribus
Sorbus aucuparia
Sparteinum sulfuricum
Spilanthea oleracea

Stibium metallicum
Strontium bromatum
Strontium chloratum
Strontium jodatum
Strontium nitricum
Strophanthus kombe
Strychninum ferri-citricum
Strychninum sulfuricum
Succini aetheroleum
Succinum
Succisa pratensis
Symphoricarpos albus e planta tota
Symphoricarpos albus e radice
Syzygium aromaticum
Syzygium cumini e cortice

Tamus communis
Terebinthina larinica
Terebinthina pistaciae
Thalamus
Thiamini hydrochloricum
Thiaminum
Thymolum
Thymus serpyllum
Thymus vulgaris
Tinospora cordifolia
Titanium metallicum
Tocopherolum aceticum
Tribulus terrestris
Trifolium arvense
Trigonella foenum-graecum
Tropaeolum majus
Tuberculinum Klebs nosode
Tuberculinum Koch nosode
Tuberculinum Spengler nosode
Tussilago farfara e floribus
Tussilago farfara e radice

Urtica dioica

Vaccinium myrtillus
Vaccinium myrtillus e foliis
Vanilla planifolia
Veratrinum crudum
Verbascum thapsus
Veronica beccabunga
Veronica officinalis
Vesica fellea
Viola odorata e floribus
Vipera ammodytes
Viscum album e foliis
